# Core Accidental Death & Dismemberment

The Core Accidental Death and Dismemberment (AD&D) insurance plan is underwritten by A.C. Newman and Company on behalf of Gerber Life Insurance Company (Gerber). It can pay a benefit if you suffer a loss as the result of a covered accident while you are insured under the plan. It also pays a benefit if you suffer certain disabling injuries while covered. The coverage is effective 24 hours a day, 365 days a year. It includes accidents on or off the job, while traveling by car, plane, train, boat or any other public or private form of transportation, excluding while flying in any aircraft that is owned or leased by or on behalf of the State of North Carolina or aircraft being used for or in connection with fire fighting, exploration, pipe or power line inspection or aerial photography. This coverage is in addition to any other coverage you have under any other insurance policy.
